

SHAILESH KOLE

Software Engineer - Full-Stack & Frontend Development (React.js, JavaScript, Node.js)

+91 77967 02856 | shaileshkole.scoe.it@gmail.com | linkedin.com/in/shailesh-kole-3195b2289 | github.com/shaileshh15 | Pune, India

PROFESSIONAL SUMMARY

Software Engineer with hands-on experience designing and building full-stack web and mobile applications using React.js, JavaScript, Node.js, HTML5, and CSS3. Strong fundamentals in Data Structures & Algorithms, Object-Oriented Programming, and Database Management Systems from a PG-Diploma in Advanced Computing (CDAC). Proven track record of integrating REST APIs, real-time databases, and authentication systems across 2 full-stack personal projects and a professional internship, improving app stability by 20% in production. Applying strong problem-solving and full-stack engineering skills to a challenging software development role.

CORE COMPETENCIES

Full-Stack Development | React.js | JavaScript (ES6+) | Node.js | REST API Design & Integration | Responsive Web Design | Data Structures & Algorithms | Object-Oriented Programming | Database Management (SQL/NoSQL) | Firebase | Agile/Scrum | Git & Version Control | Cross-Functional Collaboration | Debugging & Testing | Problem Solving

TECHNICAL SKILLS

Languages: Java, JavaScript, Dart, C, C++, SQL

Frontend: React.js, HTML5, CSS3, Responsive UI Design, UI/UX Principles

Backend & APIs: Node.js, Express.js, Spring Boot, Spring Data JPA/Hibernate, REST API Design

Mobile: Flutter, React Native, Android & iOS Fundamentals, Firebase (Auth, Firestore, FCM), SQLite

Databases: MySQL, Firebase (Firestore, Realtime DB), SQLite, MongoDB & NoSQL Fundamentals

CS Fundamentals: Data Structures & Algorithms, Operating Systems, OOP, DBMS (Normalization, SQL DDL/DML/DCL)

Tools & Practices: Git, GitHub, VS Code, Android Studio, Postman, Agile Development, Linux Shell Scripting

PROFESSIONAL EXPERIENCE

Mobile Application Development Intern

Aug 2024 - Nov 2024

Incubators Systems Pvt Ltd

Pune, India

- Engineered offline-first data storage in Flutter using Sqflite and implemented Firebase Authentication with Cloud Storage, enabling reliable real-time sync across 2 storage layers.
- Crafted user-friendly, mobile-optimized interfaces across the app's core screens, improving usability and boosting user engagement.
- Implemented centralized application state management and integrated REST APIs end-to-end across all 3 layers of the app (UI, state, and data).
- Executed systematic testing and debugging cycles across the full app, reducing crash rate by 20% and improving overall stability.

PERSONAL PROJECTS

Nursery App | React, Firebase, Authentication - github.com/shaileshh15/nursery-ecart-app

- Built a full-featured e-commerce application with 3 core flows: product browsing, cart management, and order tracking.
- Integrated 2 Firebase services (Authentication and Firestore) to enable secure login and real-time inventory updates.
- Delivered a clean, mobile-friendly UI/UX layer and implemented push notifications for real-time order status updates.

HR Management System | React.js, Node.js, Express.js, MySQL, Firebase - github.com/shaileshkole16/hr-management

- Architected a full-stack HR platform spanning 3 core modules: employee management, attendance tracking, and department organization.
- Developed and deployed RESTful APIs with Express.js, integrating MySQL with a normalized relational schema and referential constraints.
- Built a React.js frontend featuring 3 key views: a real-time dashboard, employee search, and department-wise analytics.
- Improved data integrity through cascade deletion logic and optimized data fetching performance using TanStack Query.
- Secured application access with 2 Firebase Authentication methods (Email/Password and Google Sign-In) and protected route handling.

EDUCATION

Post Graduate Diploma in Advanced Computing - Mobile Computing (PG-DMC), CDAC

Feb 2026 - Aug 2026

Bachelor of Engineering, Information Technology - Savitribai Phule Pune University

Jul 2021 - Jun 2025

CGPA: 7.31 / 10

Higher Secondary (12th, Science) - Dayanand Science College, Latur

Jun 2019 - Mar 2021

96.17%

CERTIFICATIONS & ACHIEVEMENTS

- Flutter Language Certification - Issued by Core2Web and Incubators.
- Flutter Super X Program Certification - Recognized expertise in Flutter app development and project management.
- Quizeethon Participant - Technical quiz competition on Flutter development, organized by Core2Web and Incubators.
